### December 2010

Truly 2010 was another exciting year with three incredible EBS-Sessions. We look back with joy and excitement to our session end of April in Les Diablerets with a fervent Joey Harris teaching about the Story of the New Testament.

In June we were able to experience Church History "on site" as Steve Staten was teaching in Zurich. It was truly a memorable time to be in the Grossmünster and learn about the Anabaptists at the Limmat River.

And finally we had our last session in 2010 in Les Diablerets again with lessons from 2nd Corinthians that really touched and changed our hearts - brought to us by Kelly Petre.

Our times together were not just filled with edifying teaching, but also with hours of heart-warming fellowship. Truly, the EBS's main content is the brothers and sisters from all over Europe coming to the sessions - it is you. And therefore we want to say a enormous **THANK YOU** for being there and making each EBS-Session an unforgettable time for everyone.

At this opportunity we want to inform you shortly about what you can expect from the EBS in 2011. One important thing is, that we will move our sessions from Les Diablerets to St. Legier, a beautiful place at the Lake of Geneva close to Vevey.

The location we found is well equipped, able to host all of the students together, with many double-rooms for the couples and a great view on the lake. You can check the website [www.institut-emmaus.ch](http://www.institut-emmaus.ch) (sorry, in French only) and see some pictures on <http://www.institut-emmaus.ch/hebergement/accueil.pdf> (in French, English and German).

The dates of the sessions and the new tuition can be found on our [Website](#). We will also soon inform you about the costs of the sessions as there are some changes on that for 2011.

Concerning the main-teaching, we came up with following, we believe, very inspiring program:

March 10 to 14:	"The Life of Paul"	Andy Fleming
June 16 to 19:	"Facing Secular Europe"	Shawn Wooten, Joe Silipo, Thierry Fender, Scott Green (to be confirmed)
October or November: (to be announced soon)	"Romans"	Mirko Russo

Additionally to the different tracks we had so far, we are working on offering new groups for the singles, campus-students and children-ministry-leaders. Please pray that we will find both leaders and students for these new tracks.

As you see, there are many good reasons to include the EBS in your plans for 2011. We hope to see all of you and many more at the sessions next year.

Finally we want to wish a joyful and also refreshing Christmas-period. How great it is, to celebrate the coming of our Lord and Saviour Jesus Christ - "he is before all things, and in him all things hold together" (Col 1: 17).

In Him, Your EBS-Team
